Breaking the Power of a Lie

Whatever lies you've flushed out in this process, you'll need to repent of believing it. This should ideally be done after listening to the download, when you are not emotionally charged in the wrong direction to where you still need to hold onto that lie. An example lie breaking prayer is as follows.

Father/Papa/Creator, I confess that I believed the lie that _____. I repent of believing that lie and of all the damage it's done in my heart/life/career/relationships/etc. I ask for your forgiveness and healing. I bind and cast all entities involved with this lie to the feet of Jesus and I say that they may never return. By Jesus' power I erase the effects of that lie out of every part of me. I ask you Lord to come, as an All Consuming Fire and burn any deposits left behind, any seeds, implantations or any fruit. Please write the truth everywhere that lie was in my life. I receive all miracles of healing, provision, deliverance and freedom that you have for me. Thank you for being my true north, redirect my steps towards destiny and all of your promises for my life.
