

SUPERNATURAL BUSINESS *Challenge*

Business Vision

If you had your ideal business what would that look like? (Income, business structure, number of employees/consultants/partnerships?)

How many days a week do you want to work?

How many weeks or months vacation do you want to take?

If you had no limits on time and money, what would you do/create?

If you had a magic wand?

What do you feel energy and excitement around?

SUPERNATURAL BUSINESS *Challenge*

Business Vision, cont.

What are you wanting your clients/customers to come away with? What's your vision for helping?

Add one outrageous or wacky element to your vision.

How will achieving this vision make your life better?

What will it make possible?

Why is it important to you?

What's the purpose?

How will it feel to be living it?

Now rewrite your answers on a separate piece of paper or word doc in paragraph form in present tense, as if you've already achieved all of it.

Take a few moments to close your eyes and invite Holy Spirit into your imagination. Imagine this has all been attained. What is a day in your life like? What are you doing? Who are you spending time with? Where are you? With practice, this will get easier and take on a life of it's own. You'll be able to add new stuff to your written plan.
